

DELIVERY

Power Pipe and Tank has a fleet of delivery vehicles including crane-mounted trucks with a variety of trailers.

We will deliver to your specified location for a charge of \$2.75 per loaded mile (pick-up truck), or \$3.95 per loaded mile (tractor-trailer truck). All oversize state permits are included.

Installation Instructions are shipped with each finished product and are provided to the customer so as to provide a safe and mistake-free transfer of ownership of the tank.

We can deliver and install any project! There's no job we can't handle so let us know how we can help with your project. We're here to serve you! Please email or give us a call if you have any questions, comments or concerns about our products.
